When it comes to sex, I like to let the man be the man. He can take control and initiate it physically. I'm happy being there to please him. But if I feel that I'm not getting pleased, I'll step up the volume and then he'll have to follow or he gets booted out of the bedroom. So, that has only happened once.

THE MAN CAVE

MASSAGE
ANYONE?

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

.....

Man, the Vegas Strip is one happening place. I think so because I'm a masseuse at a major resort hotel (my man cave!) on Las Vegas Blvd. Every January, there's a huge porn show in town and I massage many of the porn stars. On the surface, they are almost all really sweet ladies who do the job because they want to. Once in a while I'll have one that complains about the money, or having to get fucked in the ass, or the boyfriend that wants them out of the business. Sometimes, I'll see some that come in and their makeup is all goeey and they look wasted. Those will rarely talk, and sometimes they'll fall asleep on my table.

Admittedly, I have my favorites, and Lexi B. is one of them. I've been her masseuse for three shows now, and she looks me up

every time she comes into Las Vegas. Lexi comes from the Midwest and she'll stay in Vegas a couple more weeks after the show doing several scenes, get her money, get her massage, and fly back. I try not to get sexually involved with my clients, but every once in a while, one comes up that you just can't resist.

When she first started it was strictly girl-girl because of her pimpish-boyfriend. Then she came out a couple times without him knowing it and she tried other guys. It was all pretty tame until she discovered anal sex and became quite famous for it, losing her anal cherry on camera for the first time. Back home she remained the anonymous divorced housewife that's "living with some dude" on a quiet residential street.

She's fifteen minutes late for her massage today, but that's normal, actually that's early. She's all glammed up. I've never seen her so made up and she looks really hot. "I played a lip-stick lesbian today," she says when I ask her about all the glam. Her eyeliner and eye shadow were a deep magenta which made her blue eyes stand out. She was wearing some gold lamé with those tall, clear stripper shoes. The top she wore did little to hide her full breasts. Her short gold mini skirt barely covered her crotch.

Lexi enters the massage room and I have it smelling of lavender, her favorite. She drops her stuff in the corner and begins to strip naked. "Raoul, honey..." (that's my Vegas name, and they love calling me that. It's so mysterious, they say.) All I did was fuck girls today and they got me so horny. What I missed is a nice big cock to play with. You got one handy?" I came up behind her and placed each palm on an ass cheek, fondling them. She turned and ripped the shirt off of me. I pulled her to me as her hands cupped my ass. One came round to find my already swelling cock, squeezing it rather hard. My hand found the zipper on her skirt, pulled it down and jerked it to her ankles. Lexi kicked it off and to the side. I went to my knees as she held me by my hair on each side of my head.

She had already dropped her top and I began to nip and bite lightly at her breasts. Then she pulled my face into her crotch. I could see her pussy lips through the sheer pink panties I quickly pulled off. She smelled like sex, girly sex, all perfumed and fruity. I cupped her ass cheeks in both hands. My tongue found her moist slit and her hard clit. Her groan gave her away as I sucked loudly at her entrance. I stiffened my tongue and tongue fucked her as I felt her first orgasm shake her body. I thought she would pull my hair out. Her thick fluids spurted all around my tongue and ran down the sides of her upper thighs. These girls really can come rather quickly, I thought.

Without hesitation I finished stripping her and myself as I pulled her to the table and whispered for her to bend over it. I went to my knees, my tongue played in her sweet spot again, sliding from clit to anus as she backed her ass into my face. Lexi used her hands to spread her cheeks wider. I used my two middle fingers to probe her tight wet pussy as my tongue penetrated her anus. My fingers slid across her G-spot a few times more as she shook with another orgasm, spasming her sphincter around my stiff tongue. She had pulled my head so hard father into her butt cheeks that I had to hold my breath through her second climax.

She smelled like sex, girly sex, all perfumed and fruity. I cupped her ass cheeks in both hands. My tongue found her moist slit...

Her pink anal muscle gave way easily as I slipped my cock inside. Inch by slow inch I pushed inside letting my cock grow slowly while she adjusted to my size. I was in all but the last couple inches when she begged me to fuck her harder. Now I'm balls deep in her butt, pumping her hard until I withdrew all but the head, then slammed her ass again, my bloated balls slapping her pussy and clit.

Lexi loved this type of sex. She was a natural, placing one knee up on the table to open herself even wider. My balls continued to slap at her clit. My strokes were fast and deep, as her gasps for breath and her trembling legs gave her away. She grabbed my ass cheeks hard as her butt hole gripped and released me several times to match her last strokes. She again came hard as my climax was just as intense, filling her ass to overflowing as I gave one last thrust and we fell completely spent onto the table.

I helped her lie face down on the table, her face in the cradle. I lined six heated stones down her spine. While the heat soaked

in, I let my open hands slide down her sides, my fingertips barely touching her skin. My hands were on her ass and all talking stopped as she groaned how good it felt. I lightly oiled them and made opposing circles on her ass, spreading her crease wide to gaze at her charms. Her anus winked at me, as it seemed to invite me back. I let an oiled finger drag slowly down to the center of it and teasingly poked her hole again. She responded instantaneously as if to invite me in again. It was extremely difficult but I held back hoping that I could revisit this spot later in the session.

Taking the stones off her, I instructed her to roll over and started massaging her toes, then her feet and worked my way up her legs, letting my hands lightly brush over her bald pussy mound. I bent to lick and suck at her navel. My tongue licked toward the tights mounds of her breasts. Her nipples were already rock hard in expectation of my tongue. My fingers still played with her clit. My middle finger slipped inside her tight folds, adding to her torment of pleasure. I placed my lips over her nearest nipple, sucking it and rolling my tongue all round the bud. Her body began to tremble. Just a little at first. Then she started biting her lip and tossing her head back and forth as if to be embarrassed to come a fourth time. She could not, or would not, stop it from happening.

I left her in the throes of orgasm, pulling her to the end of the table. Her hands grabbed my ass cheeks as she lifted her legs and her ankles clamped behind my neck. I slid my engorged cock between her slippery labia, and took just two strokes to completely fill her pussy with it. Her pussy spasmed around my cock as I put my best moves on her. I would bottom out, roll my hips to grind

her clit against my pubic bone, then bring it back up, leaving only the head inside her. Lexi told me she thought I was teasing her pussy. To punish me she grabbed my cock and pulled it out of her. She pulled her legs over her more so that her knees touched her chest and started rubbing it in between her ass cheeks.

Then she squeezed it hard using it to pull herself up and we were face to face. She told me it was my turn to lay on the table and she got up on her knees and straddled my rocket. She lowered her pussy onto it and instead of moving up and down, grinded her hips down on me and then sideways in large circles while I was still deep inside her. That got me on the verge but she knew it and got off, leaving me there. My climax was getting farther and farther away. She then straddled me again and did the same circles rubbing my penis all over and through her insides. She told me she was looking for her g spot and I looked confused, but she told me not to worry. Within a couple seconds she found it and started going up and down slowly, laying her chest on mine. I reached back and grabbed her buttcheeks, pulling and pushing them down hard on me.

She rested for a minute on top of me and then looked at the clock on the wall. Her session was over. With one final jerk and slap of my penis, she turned around, fixed her hair and put on her clothes. Gathering up her bags from the corner of the room, she thanked me and paid the \$200 I charge for the massage. "I'll be back in a month, Raoul. Please mark a date on your calendar for me. I may bring a girlfriend with me. Okay?" I smiled with a huge grin. "Absolutely – I will." I said.

I had my cherry popped in the back seat of an Escalade by a guy I'd known for only two years. He was a very smooth talker and talked me right out of my panties. I've learned a lot since then and one thing I really like to do is to please myself. It's not all the time, but today seems like one of those times.

I had a great time working with Lucky and doing this photo shoot and making the video, too. He was a great lover and I loved sucking his cock and then taking it deep inside my pussy and ass. Adding the dildos, and that great little butt plug, to our sex party took me right over the top.

Sometimes life just treats you better than you deserve.
This is one of those times, and I hope there are more of them!

GF's the bomb!

I live in a suburb of Columbus, a couple miles from the university, and I just started working downtown for a marketing firm. We're the ones that send you all those beautiful full color fliers in the mail full of coupons and food offers. Well, the other night I came home a little bit early only to find my girlfriend's BFF, Denise, sitting in the kitchen of our house without Bella (my girlfriend) there. I thought that was a little weird, but not that unusual for her to be there – but not by herself.

Sexting can be an aphrodisiac...

So I asked Denise where my girlfriend was. She told me she went to the grocery store to pick up food to make dinner. I said "Okay, no problem." I noticed two glasses on the counter, so they must have been drinking some wine. Denise and I started to talk and I asked how her man, Bruce was. She said he was at work like usual, working long hours as usual. I told her that sucks. That with a girlfriend as pretty as her, he shouldn't be working as hard as like that. He should be home with her. Denise blushed, looked down at

the her glass and played her fingers around the rim.

Our conversation seemed to get more intimate as she mentioned that Bella was lucky to have me. I told her that I was happy to have her. I miss her during the day when I'm at work. I tell Denise that I usually talk to her everyday from the office, and she said she wished Bruce would do the same. I told her I sometimes send her sexy text messages during the day and she likes that. Denise laughed a little, but I could tell that it hit home. She wasn't getting the attention from her man that she would like when he's away from the house.

"You should see the ones I get from her." I said trying to continue the conversation. So I whipped out my phone and started showing her some of the sexting we do. I told her to come into the living room and I'd get my phone out of my briefcase. Denise grabs her drink and we find our way to the sofa.

Denise sat in the middle of the sofa, forcing me to

sit pretty close to her. I found my phone. Now I have never seen Denise's boobs but my girlfriend has, and she said that her nipples are pierced. Her boobs are large, and quite nice and full. I kept showing her the texts and I could feel her hard nipple against my forearm. I wondered if she was messing with me because I sensed she was getting closer to me. I kept scrolling up and when I came across a photo of Bella's pussy and ass spread open for me. Frankly, I thought those were deleted but I guess not. Denise said "Wow, that was quite unexpected." I quickly scrolled past it and apologized. Denise said she had not seen my girlfriend's pussy before she, but had seen her boobs, but that's about it. I told her that Bella told me she has seen yours and that your nipples are pierced.

I scrolled through the texts some more and kinda mumbled that I sometimes wished Bella's were pierced. Denise said that she liked hers that way, and that her man loves them. I said that I would love them, too. My phone must be magnetic because for some reason I moved my hand closer to her breast and I could feel the metal bar on her nipple. Then Denise said, "Well, since Bella got to see them, do you want to see them, too?" I was floored. "See what?" I pretended. I didn't expect to hear that from her. "My nipples." she said. My reply came out almost too quickly. "I'm not sure if that's a good idea. You're Bella's best friend and I wouldn't want something like that to create problems."

She replied, "It's not a big deal, They're only boobs. Every female has them." Before I could say anything more, she pulled her blouse up. Then she lifted her bra

and I could see them, there right in front of my eyes. It stirred an amazing feeling I had running from my head to my lower head. I immediately got hard.

As she pulled her top down her head lowered and she saw the bulge in my pants. "Did that little peek at my boobs make you hard like that?" she asked, still looking there. Trapped! "Uh, I was... they are... can't believe they are so big and your nipples are amazing. Then what she told me next was, I thought, a little unusual. She looked up at me, took a sip from her glass and said that Bruce was an ass man. I said, "That's unbelievable. With such gorgeous boobs and nipples like yours, he should be adoring them every minute of the day."

I think that made her blush. She took another sip of her wine. Then she put the glass down on the coffee table and to my surprise said, "Would you like to feel what they're like?"

I said, "I don't know if I should. What if Bella was to walk in right now?" Denise lifted her tops once again and said, "She'll never know, I won't say anything." With that statement, I proceeded to touch one of them and then the other. There they were, right in front of me. Then what I did I do next? I leaned forward and proceeded to suck on one of her nipples. I noticed that she didn't pull away. It was surprisingly nice to have that tiny barbell in my mouth. She started to moan and I just kept on sucking her nips.

Then, much to my surprise, her hand found my cock

GF's the bomb!

and started to rub it over my pants. I was shocked and that was making me even more hot and confused.

In the meantime, we lost sight of the time and Bella had come inside and walked in on us. She saw us going at it and what she did next was totally unexpected. She stopped at the living room door and got undressed. She started to walk towards us when I noticed her. But before Denise and I could do anything, Bella said, "I hope you're having fun. Please don't stop on my account."

Denise didn't say a word, but took off her top, her bra and stood up to take off her pants and panties. I looked around and couldn't believe what was going on around me. By now, Bella had walked over to the sofa and the two ladies embraced and kissed right in front of me. Their hands roamed over each other's body and Bella's stopped at Denise's nipples and began to pull gently on the silver studs. Denise's hands found their way between Bella's legs and started massaging her pussy.

harder, if that's at all possible.

I reached down and my fingers found my girlfriend's mouth and she licked them thoroughly. I rubbed them around Denise's anus and wetted it down. I stuck a finger in up to the first knuckle. I replaced my finger with my rock hard cock and slowly pushed it in. I look down and see my girlfriend eating her friend's pussy from the bottom as I was fucking her asshole. It didn't take long before I came in her ass. My girlfriend was underneath her and saw that Denise's ass was dripping down and she started to lick between her pussy and her asshole. I lowered my cock and Bella licked it clean while Denise was still licking her pussy.

The girls got up and Denise started sucking my cock back to life. She told Bella to ride it and she got on me with her back to me. Bella's bobbing up and down on my cock and Denise sits right in front of us and begins to play with my balls and Bella's pussy. Soon she replaces her hands with her mouth and begins by licking Bella's pussy and clit. She's also fondling my balls as

Then, again in unison, they both dropped to their knees in front of me and Bella grabbed my cock and offered it to Denise. She started to suck my cock and then she passed it back to Bella. The two sucked, alternating between my cock and balls and I was in heaven. Then they broke it off and the two ladies fell on the sofa with Bella on the bottom and Denise on top of her in a sixty-nine position. I got behind Denise and began to rub her wet pussy. Denise lifted her head from licking my girlfriend's pussy to tell me that her pussy is reserved for her man, but I could fuck her ass. That made me even

Bella moans long and loud. Now her mouth engulfs both my balls. She turns her head slightly so her nose doesn't get hit, and I feel her tongue working them inside her mouth. Finally, Bella is cumming and Denise goes to work on her clit with her hand. That sends my girlfriend over the edge and she cums in waves.

That leaves Denise without an orgasm. We work on her together and Denise starts cumming. Soon the two ladies lay on the sofa, spent. I gather up my clothes and head into the kitchen to put the groceries away.

Maya

I couldn't wait to get to college. I was going to let out my frustrations on all the guys I could. I'd make them fuck me until I, or they, couldn't take it anymore. I started out at a sorority but they were into frat guys, which I was not. I liked the artsy, rebel type. The ones with long hair, tattoos, and a rebellious attitude. Right now, I'm still screwing everyone I can because soon the man pool is going to disappear when I leave.

Jojo & Jacyln & Kylie

You DON'T have to talk me into it! JoJo and Kylie barged into my room and started getting frisky. They teased me for being a fuddy-duddy, then started to kiss each other in front of me. I was appalled, and yet a little bit curious. Then they came over to me on the bed and pulled my breasts out and started kissing them. Oh, I must admit that it felt good and I can see why they wanted me to join in.
